

OUR STORY

As a third-generation family owner of Fairview, Charles Back II -- grandson of a butcher and son of a winemaker -- has continued the family legacy to nurture the land. Adding 'cheese maker' to the family repertoire, today the Back family really are a collection of butchers, bakers, wine, and cheese makers!

We strive to use as much produce from family farms or artisans in the surrounding areas as possible to serve fresh and local every chance we get. Now in conjunction with the Pearl Valley Hotel by Mantis we are excited to share our carefully curated Restaurant and Deli experience with the hotel guests and the residents of Pearl Valley Golf Estate and Spa.

BACK'S GOAL IS SIMPLE

*"We bring you the best, ethically farmed and hand-selected produce.
It just tastes better."*

PLEASE NOTE THAT WE ARE CASHLESS
